**KENOSHA COUNTY INVENTORS AND ENTREPRENEURS CLUB TO HOST GUEST  
SPEAKER, PATENT ATTORNEY JILL GILBERT WELYTOK**

---

**[KENOSHA, WI] October 22, 2007** -The Kenosha Area Chamber of Commerce (KACC) is pleased to welcome Patent Attorney Jill Gilbert Welytok as the guest speaker for the next Kenosha County Inventors and Entrepreneurs Club slated for Tuesday, November 20, 2007 at the Kenosha Area Chamber of Commerce (600 52<sup>nd</sup> St. Ste 113) starting at 5:30 pm.

Patent Attorney Jill Gilbert Welytok will take inventors and entrepreneurs through the travails of a hypothetical inventor, "Pat Pending" and the new rules and proposed patents which will affect individual inventors in her presentation: The Perils of the Patent System.

Welytok is a patent attorney and CPA from Absolute Technology Law Group, LLC. She facilitates the Ozaukee/North Shore Inventors and Entrepreneurs Forum. She is also the author of *The Entrepreneurs' Guide to Patents, Trademarks, Trade Secrets and Licensing*.

Through grants from Wisconsin Entrepreneurs' Network (WEN), and Kenosha County, the Kenosha Area Chamber of Commerce, Carthage College Science Works Program, and SBDC/CATI have partnered to create Kenosha County's Inventors and Entrepreneurs Club. By providing an environment where people feel comfortable exploring ideas, we can help move them from concept to reality. Monthly, people can come together to think creatively, develop ideas, weigh the risks, learn from guest speakers and network with other like-minded individuals.
