Why be a Leader?

(Please answer the following questions on a separate piece of paper.)

1. One sign of an effective leader is the ability to identify needs and suggest possible solutions. In addition to identifying the need, provide one or more recommendations for addressing it.
2. What do you hope to gain from Leadership Kenosha? How do you believe you will apply the knowledge gained as a Leadership Kenosha participant?

Community Involvement

Please describe ways you have been involved in community service (include adult involvement in Kenosha and/or other communities). Attach additional paper if needed.

Work History

Please describe positions you have held in the past five years, and any other workplace leadership opportunities you have held (task force member, committee chair, etc.).

COMMITMENT TO LEADERSHIP KENOSHA

Attendance

Enrollment in Leadership Kenosha provides participants an opportunity to enhance their leadership skills while exploring a broad array of community and workplace issues, topics and settings. Attendance at these sessions and exposure to this information are the building blocks of the Leadership Kenosha program. It is for this reason that Leadership Kenosha has instituted an attendance policy allowing for limited excused absence. Attendance at the September Retreat is mandatory. In addition to the Retreat and Graduation, the time commitment is 8 sessions (October–May). Participants should confirm with their supervisor their ability to gain release time from work responsibilities in order to attend each session. If a participant misses more than the equivalent of two sessions, their eligibility for graduation will be reviewed.

Experiential Projects

The small group project allows Leadership Kenosha participants to put their skills to work in a non-profit, business, or community setting. While some of this project work will be completed during regular program sessions, it is expected that some project work will take place outside of scheduled sessions. The amount of time you will need to devote to the development of your project will be determined by consensus of your Leadership Kenosha team.
